Hi Mike.

Wednesday 2pm is great for me. Deb won't be able to attend but her hope is that we have a chance to connect and talk anyway.

Does that sound okay?

Deb and Mike, if you guys have other BID business to go over, do you want to do it separately or should we combine into one meeting?

Thanks,
Mark

Dear Mike – it was great seeing you a few weeks ago, thanks again for meeting me in Culver City rather than at Southwestern. We have a wonderful new person working at the law school named Mark Thaler who is now serving as our Director of Special Projects. He is currently reviewing a number of developments around our BID area and as we chatted about them I immediately thought of you. It would be fantastic if you might have some time to meet with him so he could “pick your brain”. I have cc’d Mark so he can reach out to you and also included your contact info below. I hope the two of you might have time next week or sometime after the first of the year to visit. Also, if for any reason you need me, I am planning to be on campus for a portion of the day on Monday, Dec. 18 and also most of the day on the 20th. Just in case I do not speak with you before, best wishes to you and your family for a wonderful holiday season and a very healthy and happy New Year! Deb
